
Copyright and Licensing Information for MicroQoSCORBA

[1] MicroQoSCORBA is copyrighted by [2] David E. Bakken and his research group at [3] Washington State University, Copyright (c) 2003, all rights reserved. You are free to use MicroQoSCORBA for any research purposes or for commercial prototyping or other evaluation purposes. You may not include it in a commercial product of any kind or use it for any for-profit endeavor without prior written licensing from the copyright holders. You may not re-release MicroQoSCORBA without prior written permission from the copyright holders.

MicroQoSCORBA is provided as is with no warranties of any kind, including the warranties of design, merchantability and fitness for a particular purpose, noninfringement, or arising from a course of dealing, usage or trade practice. Moreover, MicroQoSCORBA is provided with no support and without any obligation on the part of Washington State University, its employees, or students to assist in its use, correction, modification, or enhancement.

Washington State University, its employees, and students shall have no liability with respect to the infringement of copyrights, trade secrets or any patents by ACE and TAO or any part thereof. Moreover, in no event will Washington State University, its employees, or students be liable for any lost revenue or profits or other special, indirect and consequential damages.

The MicroQoSCORBA web site is maintained by the students and staff of Washington State University. By submitting comments, suggestions, code, code snippets, techniques (including that of usage), and algorithms, submitters acknowledge that they have the right to do so, that any such submissions are given freely and unreservedly, and that they waive any claims to copyright or ownership. In addition, submitters acknowledge that any such submission might become part of the copyright maintained on the overall body of code, which comprises the MicroQoSCORBA software. By making a submission, submitters agree to these terms. Furthermore, submitters acknowledge that the incorporation or modification of such submissions is entirely at the discretion of the moderators of the MicroQoSCORBA project or their designees.

The names MicroQoSCORBA and Washington State University may not be used to endorse or promote products or services derived from this source without express written permission from Washington State University. Further, products or services derived from this source may not be called MicroQoSCORBA, nor may the name Washington State University appear in their names, without express written permission from Washington State University.

If you have any suggestions, additions, comments, or questions, please let me know.
